➔ Jane Carter Solution at The 29th Annual Muse Awards

The 29th Annual Muse Awards

The 29th Annual Muse Awards took place this Wednesday, admiring the remarkable film and television personalities. The fabulous show starred *Ugly Betty's* America Ferrera as well as NBC's own Julianna Margulies who plays the lead role of nurse Carol Hathaway on medical drama *ER*. The fun filled award show featured host of "The Colbert Report" Stephen Colbert, who surprisingly showed up to present a Muse Award to Allison Silverman, late night comedy writer/producer. [The Jane Carter Solution](#), which produces natural hair products for curly and dry hair, was amongst the many to participate in the glamorous show. GoodGirlIPR was also instrumental in preparing gift bags for this event.
